

March 20, 2020

Dear Families,

All of us at The Childhood League Center hope your first week with continued home days has gone well. We know many of you have questions about what the days ahead hold and we will provide answers as we get them. At this time, each program staff is working hard to address the new challenges they were presented this week. What is happening behind the scenes? Our preschool teams are working hard to prepare for parent teacher conference that are scheduled for next week, our Early Intervention Providers and Help Me Grow Service Coordinators are reaching out to families to discuss service delivery options based on the required changes for evaluations and home services, and our Family Service Department is working hard on continued resources that they can provide to families. Thank you so much for being patient as we are exploring the best decisions to make for each of our programs.

Please remember that our teachers will be on Spring Break the week of March 30th to April 3rd.

Please watch our Facebook pages (The Childhood League Center page and Families of The Childhood League Center page) for links to resources and videos from the staff. Our most recent post was a link to resources being provided by one of our community partners, Action for Children.

Please know that we are thinking of you and your children every day! It seems so hard to believe that it has only been one week since we heard we would be closing education buildings across the state of Ohio and looking for new ways to connect with our families. As always, if you have any questions, please send them to me at jenniferh@childhoodleague.org or leave me a voicemail at 614-253-6933 x217.

We each recognize that this is an unexpected and stressful time that will impact each person in your family in a different way. Look at your new routines as a challenge, but something each member of the family can help shape. If you have a need that the Family Services could possibly help with, our social workers are checking their messages. Their numbers are;

Early Intervention (0 to 3) is Jaclyn Harstine at 614-253-6933 x 230
Preschool (3 to 5/6) is Carla Bearden at 614-253-6933 x205.

Stay safe, wash hands, and reach out to those you know who may just need a cheery hello from you. You are each an amazing part of The Childhood League Center and are very valued.

Sincerely,

Jennifer Haddow
Chief Program Officer
